

NOTICE

CONSTRUCTION REFUSE & WASTE DISPOSAL

Please Note that Auburn Placer Disposal Service holds the exclusive franchise for refuse collection in the City of Rocklin. **This includes collection of construction waste and debris.** When you build, remodel, or demolish a structure you must properly handle and dispose of construction refuse using one of the two methods below.

1. Contact Auburn Placer Disposal Service to provide for collection service or to obtain a container bin. **Contact: Auburn Placer Disposal Service Phone (530) 885-3735 or (800) 573-5545**
2. Provide containerization and personally dispose of the construction refuse in a timely manner. **Western Placer Landfill is located at 3195 Athens Ave., Lincoln, CA. 95648. Phone (916) 408-2783.** *(Contact landfill for information concerning disposal of hazardous waste.)*

Rocklin Municipal Code Section 13.08.55

(Chapter 13.08 Solid Waste and Refuse Collection)

Construction refuse-Mandatory containerization and collection.

There is imposed a mandatory scheme of construction refuse collection within the city. Any person engaged in the building or demolition of a building or structure and who produces construction refuse shall provide for the containerization and collection of the refuse in accordance with this chapter either by subscribing to the collection service provided by the city or by personally disposing of the construction refuse himself not less often than if the construction refuse were collected.
